Dear Members,

It is with regret we announce the departure of Mr. Brian Babey. As I am sure you are well aware, he was serving as Registrar, Executive Director, and Complaints Director. These positions became vacant as of November 18th of this year.

Obviously, the council has had to react quickly in order to fulfill these very important functions of the College. Therefore, the Council has implemented the following changes:

In light of Mr. Babey's departure, the council has established a search committee for a new Registrar/Executive Director. Council has requested Bob Westlake serve as the interim Registrar/Executive Director.

Council has also formed the following committees:

Registration and Competence Committee, Paul Chalifoux chair

Finance Committee, Brian Cook chair

Search Committee, Julie Brown chair

Council has appointed Mervin Fedoretz to act as interim Complaints Director.

It is the intention of Council and the Registrar/Executive Director to act in a responsible manner and be fully transparent with the membership during this time of transition and in the future.

Bob Westlake, Interim Registrar/Executive Director
