

DEPARTMENT OF CONTINUING EDUCATION

**Dental Health Sciences  
Continuing Education Courses (2011/2012)  
DENTAL TECHNOLOGY**

Thank you for your interest in the continuing education course offerings at NAIT. The following information and application forms are for the 2011/2012 school year.

\* Applications must be received 30 days prior to course commencement. **Complete documentation** must be enclosed.

Include fee payment, copy of current certificate of registration and additional documents if stated as pre-requisites (see pages 1, 2) for each course. A current CPR certificate is recommended, but is not a prerequisite.

Payment can be made by cheque or money order (payable to NAIT), VISA or Mastercard or American Express. If paying by credit card, include cardholder name, number and expiry date. No applications will be processed without all prerequisites being met **on** or before the registration date of the course (30 days prior to start date).

Application(s) has/have been enclosed. Please submit one application and payment for each course. **Applications will be accepted six months prior to the start date of each course, but not before.** Applications received earlier than six months will be returned.

A course manual, supply list and specific program information will be forwarded approximately one month prior to the start date.

Courses will be cancelled if minimum enrollment is not met 30 days prior to start date. For courses that are cancelled or oversubscribed, notification will be given by mail or phone. Applicants will be given preference in the next available course of the academic year.

Refunds will be issued for cancellations received **no later than 3 calendar days prior to course start date**, less the administrative fee applicable for each course (see course details) no transfers will be permitted. There will be a processing fee of \$30 on NSF cheques. We reserve the right to cancel, postpone or otherwise modify announced courses due to inadequate registration or other causes beyond our control. Course fees will then be refunded in full.
