

August 2023

Standards of Practice Consultation

In May of 2023, Regulated Members were invited to provide feedback on the draft standard of practice “Scope of Practice”. That consultation resulted in significant changes to the draft document.

Regulated members are invited to provide feedback on the amended draft standards August 21, 2023 – September 4, 2023.

You can find more information and access the draft standard and consultation [here](#) (← Click to open).

Committee Opportunities

The College is seeking applicants for the following Committees:

- 1) [Finance Committee](#) (← Click to open)
- 2) [Registration, Education and Competence Committee](#) (← Click to open)

You can find out more information about each committee and how to apply by clicking on the links above.

Advice to the Profession

The CDTA has added a new *Advice to the Profession* section on our website to provide regulated members with guidance on commonly asked questions.

You can view the feature [here](#) (← Click to open).

Continuing Competence

The [CDTA's continuing competence program](#) changed effective March 31, 2023.

Regulated Members are reminded to upload their continuing competence activity records into the Portal as you complete them.

Need more information about how to upload your CE certificates or other proof of continuing competence activities?

We have prepared a Guide that you can access [here](#).

Professional Liability Insurance

The CDTA will continue to integrate insurance premiums into the 2024 registration fees for regulated members.

[Professional liability insurance \(PLI\)](#) serves to protect the public by requiring regulated members to maintain PLI, which includes coverage for claims alleging negligence.

The College of Dental Technologists of Alberta's mandate is to protect the public. To this end, PLI insurance is included in every Regulated Members annual registration fees with the CDTA. This allows the CDTA to ensure that all its Regulated Members have and maintain the required PLI to protect Albertans.

Insurance premiums are charged on a cost-recovery basis.
