

Declaration of Conflict of Interest and HPA Compliance

Conflicts of Interest

This declaration will help to identify any real or perceived conflicts of interest related to your being appointed to a Committee role with the College of Dental Technologists of Alberta (“the College”),

You must inform us immediately if there are any changes to the information you provided in this declaration.

HPA Compliance

The *Health Professions Act* (HPA) establishes that a person who is an officer or senior employee of a professional association or union that represents regulated members of the College **cannot be appointed or elected to the following positions:**

- member of the College’s Council (including the President of the Council or the President’s delegate)
- member of the College’s Registration Committee, Competence Committee, Hearing Tribunal, or Complaint Review Committee
- Complaints Director or the Complaints Director’s delegate
- Hearings Director or the Hearings Director’s delegate
- Registrar or the Registrar’s delegate

If a person in one of these positions becomes an officer or senior employee of a professional association representing regulated members of the College, the individual is no longer permitted to continue in that role and must be removed from the position immediately. These restrictions are mandatory and apply to the College and all HPA colleges.

Please provide the information requested below:

- (i) to remain transparent about any potential, real, or perceived conflicts of interest and
- (ii) to ensure that you are not prevented from assuming a position with the College due to the HPA and Bylaw restrictions mentioned above.
