

College of Dental
Technologists of Alberta

December 1, 2023

Committee Opportunities

Members of the college committees play a crucial role by contributing to how we regulate the profession. The College is seeking applicants for the following Committees:

- 1) [Finance Committee](#) (← Click to open)
- 2) [Registration, Education and Competence](#) Committee (← Click to open)

You can find out more information about each committee and how to apply by clicking on the links above.

Our Role

The CDTA is a regulatory college, responsible for regulating the profession of dental technology in the public interest. Want to know more about the role of the College?
