2024–2027 Strategic Plan

The 2024– 2027 College of Dental Technologists of Alberta (CDTA) Strategic Plan has been developed through collaborative efforts of the Council, including workshops and meetings. The plan aligns with the CDTA’s policies and sets the CDTA’s organizational goals for 2024–2027.

You can read the plan [here](#).

Council Meeting Highlights

Since our last update, the Council met once for a regular meeting on November 27, 2023, and once for a *special* meeting on January 29, 2024.

You can access a summary of the Council activities [here](#).

Notice of Hearing Decision

Part of the CDTA’s role is to receive and investigate complaints regarding the conduct of RDTs and DTs. Hearing decisions are published to ensure our complaint process is transparent and serves the public.

We recently held a hearing regarding the conduct of one regulated member, the Hearing Tribunal Decision is available [here](#).

Committee Opportunities

Members of the college committees play a crucial role in overseeing how we regulate the profession. The College is seeking applicants for the following Committees:

- 1) [Finance Committee](#) (← Click to open)

You can find out more information about each committee and how to apply by clicking on the links above.
